PARADISE SANITARY WARE PVT LTD.

A1 Quality Compliance with

PARADISE SANITARY WARE PVT LTD.

FUNCTION	PARADISE SANITARYWARE PVT LTD.	BENEFITS
Raw Material Slip Prepare slip Storage	Use only process clay with specific specification and 300 mess fine clay. Use Only mixing of all pure tested material to prepare slip. slip storage capacity is very high about 2000 ton at a time. (25 Days)	Standard quality to match International Standards.
Mother Mould Running Moulds	Mother Mould will be of Resin. Running mould will be made of imported Plaster Paris from Thailand and changed within 70 cycles.	Good finishing of shape with fine edges of products. Consistent quality will be maintained.
Finishing	Finishing is done with proper tools like - Air blower and Proper Lighting to check minor defects and dust collector water flow kept in back ground.	Good finishing with smooth surface and finished products will have no bumpiness.

PARADISE SANITARY WARE PVT LTD.

FUNCTION	PARADISE SANITARYWARE PVT LTD.	BENEFITS
Glazing	Glazing is done by Automatic Cycle Glazing line in which product passed under min 3 persons during glazing process.	This method of Cycle Glazing gives homogeneous glaze cover on the product with very less chance of Defects. So, "A1" Grade production output increased.
Drying and Handling	Drying is done by dryer and products will be handled on trolley which will be directly loaded to Kiln. Less human handling.	So less chances of human oriented defects.
Firing in Kiln	Firing kiln is imported and fully Automatic. Product will be fired up to 1216 degree to make fully vitrified.	Very good shining and homogeneous surface of product

PARADISE SANITARY WARE PVT LTD.

FUNCTION	PARADISE SANITARYWARE PVT LTD.	BENEFITS
Quality Checking	<p>Checking done by Automatic testing bench for Water Flow and mass clearances tests for each product.</p> <p>Air pressure and Water flow test will be done on each product.</p>	Our product will match international standard quality
Paradise GOLD Branding	<p>We can put our Paradise GOLD brand or any logo on only "A1" grade products with help of Ultra Modern Laser Marking Technology.</p> <p>Il nd Choice products will have another brand or no brand.</p>	Products will "Paradise GOLD " brand will be of "A1" grade only.
Packing	Grass packing and thick cartoon packing will be done.	Good looks of finished product and less possibilities of breakage during transportation to customers.
